**Subject:** EPA Solution for Toxic Waste Destruction  
[Cement Lock Conf. Handout.pdf](#)  
[Scott Pruitt Letter 2.21.2017.pdf](#)

Dear EPA Administrator Scott Pruitt:

Attached is a letter from Al Hendricks, CEO of Volcano Partners, describing the EPA's solution for the permanent destruction of the toxicity of waste & materials stored in landfills or dumped in Superfund sites. Al would like to schedule a meeting to review this technology funded by, and developed for the EPA and Army Corps of Engineers. Please let us know who we may contact to schedule the meeting.

Regards,

Bill Cutler
